Dear Parents/Guardians,

We hope this letter finds you well. As part of our ongoing efforts to showcase the wonderful experiences and activities offered through our program, we are reaching out to request your permission to include your child in our marketing materials.

At Glorious Future, we believe in the power of visual storytelling to highlight the positive impact our program has on the lives of children. By featuring real moments captured during our activities, we aim to provide prospective families with an authentic glimpse into the enriching experiences we offer.

We understand the importance of safeguarding the privacy and well-being of your child, which is why we assure you that any photos or videos featuring your child will be used solely for promotional purposes related to Glorious Future. These materials may be used across various platforms, including our website, social media channels, printed materials, and presentations.

Please take a moment to review the attached permission form, which outlines the details of our request. By signing the form, you grant us permission to include your child in our marketing materials, understanding that their participation is entirely voluntary and that no compensation will be provided.

We want to emphasize that the safety and comfort of your child are our top priorities. If at any point you have concerns or wish to revoke permission for the use of your child's image, please don't hesitate to reach out to us.

Thank you for considering our request. Your support enables us to continue providing meaningful experiences for all the children in our program. We look forward to capturing many more memorable moments together.

Warm regards,

Aderiyike Sowunmi
